TO: Board of Supervisors

FROM: James P. Erb, Auditor - Controller - Treasurer - Tax Collector

DATE: 3/18/2014

SUBJECT: Submittal of a cash procedures and internal control review of the Farm Advisor's Office conducted on November 20, 2013. (All Districts)

RECOMMENDATION

It is recommended that the Board receive, review, and file the Farm Advisor's Cash Office Procedures Review.

DISCUSSION

Cash handling can be an area vulnerable to mistakes or misappropriation. The Auditor-Controller has developed policies to minimize the risk associated with use of change funds and petty cash as well as cash receipts. Additionally, County computers are vulnerable to abuse, and County Information Technology has developed policies to minimize the risk associated with misuse of County computing assets. The objective of our review was to determine compliance with the County Auditor-Controller's Cash Handling Policy, to establish accountability for the cash on hand at the time of the count, and to determine compliance with the County IT Acceptable Use Policy Acknowledgement signature requirements.

We determined all cash funds and cash receipts on hand, in all material respects, to be in balance at the time of our count, and that the Farm Advisor's Office is in general compliance with the Cash Handling Policy. Also, Farm Advisor employees signed the Information Technology Acceptable Use Policy Acknowledgement form in a timely manner.

OTHER AGENCY INVOLVEMENT/IMPACT

None.

FINANCIAL CONSIDERATIONS

There is no additional cost to the County for conducting unannounced cash reviews. Periodic unannounced cash reviews are a post of the Auditor-Controller-Treasury-Tax Collector's compliance with Government Code 26881 and 26883.

RESULTS

The Auditor-Controller-Treasurer-Tax Collector's program of periodic unannounced reviews of cash procedures and other internal controls helps maintain and improve internal controls and procedures for cash handling by County staff and contributes to the County's vision of a well-governed community.
